

Volunteers with Diabetes needed for Research Programme

As part of its research programme working with University of the Highlands and Islands and NHS Highland, Inside Biometrics Ltd requires volunteers with diabetes to donate a small volume of blood and an hour of your time in order to help us test and improve blood analyte sensors.

Eligible participants will:

1. Be diagnosed with Type 1 or Type 2 Diabetes
2. Be at least 16 years old
3. Be able to attend a clinic at Raigmore Hospital
4. Be able to read and understand written English

Participants will not be asked to make changes to their current treatment plan or medications. Participants will receive £20 towards their costs of attending the clinic.
